Dear Mr. Steen,

Thanks for your letter. Herewith the books. I can't respond because my activities are limited by what seems to be a slight case of phlebitis. Some will be address in Post Mortem, not Whitewash V. I expect to have it out soon. It is being printed now. I'll be getting up a flyer and then a mailing on it. If you want it before you can respond it will be 660 pp and $10.00, $10.75 by insured mail.

The documentation you saw is but a fraction. I sold those rights to get what I lacked for paying the printer.

I hope it will make a difference.

Sincerely,
